Adozillion Court,the Mainland's
new goldmine.

Welcome to Adozillion Court

Not just a home. A heritage that appreciates in silence.

For decades, the Lagos Mainland has watched the Island bask in the glow of architectural marvels and modern luxury. But the tide has turned. Adozillion Court arrives not as another residential address, but as a bold declaration that luxury has crossed the bridge.
This is not just a development, It is a movement of refinement, redefining what it means to live, breathe, and belong on the Mainland.

tomorrow's value,
today'sopportunity

The area's transformation into a high-demand residential hub also makes it a magnet for investors seeking both luxury living and long-term capital gains.

At Adozillion Court, this growth translates into tangible value. A N480 million fully detached unit today could command over N600 million in just three years — a testament to the rising profile of the Omole Phase 2 axis and the enduring quality that defines every Adozillion development.
